TH 6510

METALLIC MEDICATION TROLLEY

KEY FEATURES

-  Epoxy powder painted ST-37 Carbon steel structure
-  Retractable medication preparation table
-  ABS top platform with higher edges
-  4 small and 1 big drawers operated through telescopic rails
-  Removable plastic inner basket and separators in drawers
-  Push bar
-  Central locking mechanism at drawers
-  Plastic waste bin
-  Diagonal lockable swivel castors
-  Castor Diameter: 125 mm.

TECHNICAL DATA

Material	Epoxy powder painted ST-37 Carbon steel
Top Platform	ABS with higher edges
Drawer Configuration	4 small drawers 1 big drawer
Drawer System	Telescopic rails
Drawer Accessories	Removable plastic inner basket and separators
Lock System	Central locking mechanism
Accessories	Push bar, Plastic waste bin
Castors	Diagonal lockable swivel castors
Castor Diameter	125 mm.
Dimensions (W x D x H)	500 x 700 x 950 mm.

TH 7510

METALLIC DRESSING TROLLEY

KEY FEATURES

Made of epoxy painted ST-37 Carbon steel material

Barriers on top platform

2 drawers

Detachable separators inside the drawers for medications

Stainless steel bowl in the adjustable holder

Waste bin

Diagonal lockable swivel castors

Castor Diameter: 100 mm.

TECHNICAL DATA

Material	Epoxy painted ST-37 Carbon steel
Top Platform	With barriers
Drawer Configuration	2 drawers
Drawer Accessories	Detachable separators inside the drawers
Bowl	Stainless steel bowl in the adjustable holder
Accessories	Waste bin
Castors	Diagonal lockable swivel castors
Castor Diameter	100 mm.
Dimensions (W x D x H)	450 x 800 x 800 mm.

T-ROLLEY ANESTHESIA

FUNCTIONAL ABS ANESTHESIA TROLLEY

KEY FEATURES

- Made of medical grade polypropylene and polyethylene material
- Central lockable functional ABS drawers operated through telescopic rails
- 10 separated transparent boxes for medicines
- Separators in drawers
- Waste bin and sharps container
- Retractable writing tray
- Push bars on both side for easy use
- Diagonal lockable swivel castors

TECHNICAL DATA

Width	754 mm.
Length	862 mm.
Depth	587 mm.
Height of Small Size Drawer	85 mm.
Height of Medium Size Drawer	174 mm.
Height of Big Size Drawer	263 mm.
Castor Diameter	100 mm.

T-ROLLEY EMERGENCY

FUNCTIONAL ABS EMERGENCY TROLLEY

KEY FEATURES

- Made of medical grade polypropylene and polyethylene material
- Central lockable functional ABS drawers operated through telescopic rails
- Rotatable and height adjustable defibrillator shelf
- Adjustable IV pole
- Separators in drawers
- Waste bin
- Sharps container
- Oxygen cylinder holder for cylinders up to 5 L (Only the holder, oxygen cylinder is not included)
- Resuscitation board
- Retractable writing tray
- Diagonal lockable swivel castors

TECHNICAL DATA

Width	754 mm.
Height	862 mm.
Depth	587 mm.
Height of Small Size Drawer	85 mm.
Height of Medium Size Drawer	174 mm.
Height of Big Size Drawer	263 mm.
Castor Diameter	100 mm.

T-ROLLEY MEDICATION

FUNCTIONAL ABS MEDICATION TROLLEY

KEY FEATURES

Made of medical grade polypropylene and polyethelene material

Central lockable functional ABS drawers operated through telescopic rails

Separators in drawers

Waste bin & sharps container

Retractable writing tray

Diagonal lockable swivel castors

TECHNICAL DATA

Width	750 mm.
Height	860 mm.
Depth	580 mm.
Height of Small Size Drawer	85 mm.
Height of Medium Size Drawer	174 mm.
Height of Big Size Drawer	263 mm.
Castor Diameter	100 mm.

TS 7500

STAINLESS STEEL EMERGENCY TROLLEY

KEY FEATURES

- Made of AISI 304 grade 18/8 CrNi stainless steel material
- Retractable medication preparation table
- Top platform with higher edges
- 5 drawers operated through telescopic rails
- Separators inside drawers
- 360 degree rotatable defibrillator shelf
- Height adjustable IV pole with 2 hooks
- Diagonal lockable swivel castors
- Plastic waste bin
- Castor Diameter: 125 mm.
- Dimensions: 500 x 700 x 1000 mm.
- OPTIONAL: Manufacturing in customized design and dimensions

TECHNICAL DATA

Width	500 mm.
Depth	700 mm.
Height	1000 mm.
Drawers	5
Castor Diameter	125 mm.
Material	AISI 304 Grade 18/8 CrNi Stainless Steel
Optional	Manufacturing in customized design and dimensions

TS 7510

STAINLESS STEEL DRESSING TROLLEY

KEY FEATURES

- Made of AISI 304 grade 18/8 CrNi stainless steel material
- Barriers on top platform
- 1 drawer and 1 cabinet
- Stainless steel bowl in the adjustable holder
- Stainless steel waste bin in the adjustable holder
- Diagonal lockable swivel castors
- Castor Diameter: 75 mm.
- Dimensions: 450 x 650 x 850 mm.
- OPTIONAL: Manufacturing in customized design and dimensions

TECHNICAL DATA

Castor Diameter	75 mm.
Dimensions (W x D x H)	450 x 650 x 850 mm.
Material	AISI 304 Grade 18/8 CrNi Stainless Steel
Top Platform	With Barriers
Drawer	1
Cabinet	1
Bowl	Stainless Steel in Adjustable Holder
Waste Bin	Stainless Steel in Adjustable Holder
Optional	Manufacturing in customized design and dimensions

TS 7520

STAINLESS STEEL ANESTHESIA TROLLEY

KEY FEATURES

- Made of AISI 304 grade 18/8 CrNi stainless steel material
- Retractable medication preparation table
- Top platform with higher edges
- 5 drawers operated through telescopic rails
- 10 separated transparent boxes for medicines
- Diagonal lockable swivel castors
- Castor Diameter: 100 mm.
- Dimensions: 500 x 700 x 1050 mm.
- OPTIONAL: Manufacturing in customized design and dimensions

MANUFACTURING EXCELLENCE

Engineered. Manufactured. Trusted.

At T-Health, we combine advanced manufacturing technologies with skilled craftsmanship to deliver high quality medical trolleys that meet the demanding requirements of modern healthcare environments.

AISI 304 STAINLESS STEEL

Premium quality AISI 304 grade 18/8 CrNi stainless steel for superior corrosion resistance and durability.

ISO 13485 CERTIFIED

Our quality management system is certified to ISO 13485 for medical devices.

CE COMPLIANT

All products are designed and manufactured in compliance with applicable CE standards.

EXPORT TO 35+ COUNTRIES

Proudly supplying hospitals and distributors in over 35 countries worldwide.

ADVANCED PRODUCTION

State-of-the-art machinery and modern production lines for consistent quality and precision.

QUALITY CONTROL

Rigorous inspection at every stage to ensure reliability, safety and long product life.

BUILT FOR RELIABILITY

Every T-Health trolley is built with precision, tested for performance, and designed to support healthcare professionals in their critical daily work.

Our Commitment:

Delivering reliable, safe and innovative medical solutions that make a difference.

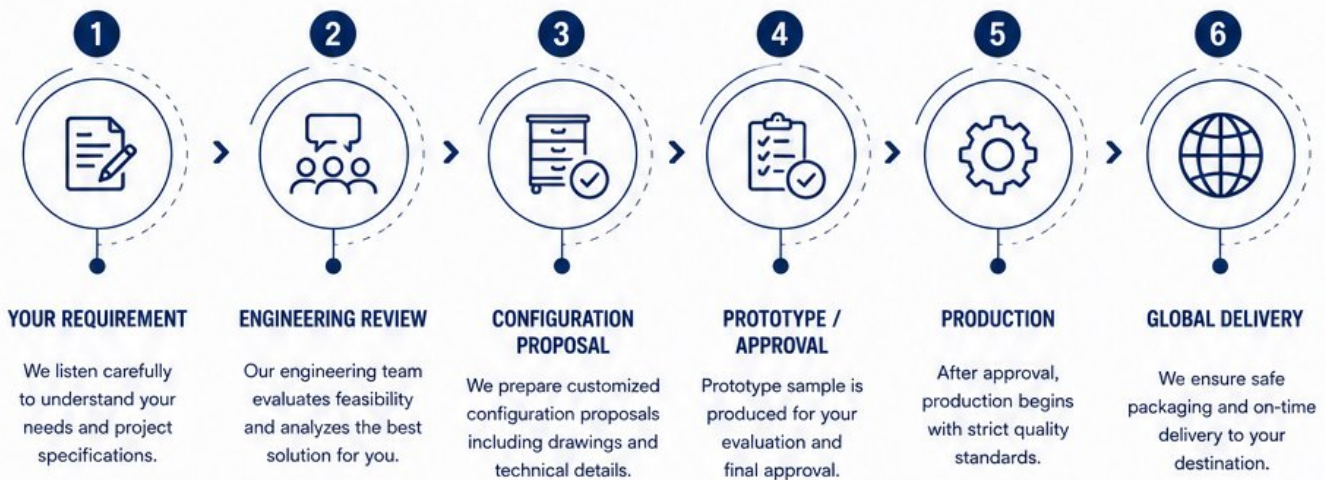

FROM REQUIREMENT TO REALIZATION

Flexible Project-Based Customization for Healthcare Environments

Every healthcare facility has unique needs. At T-Health, we offer flexible customization and configuration options to deliver the right trolley solution for your specific requirements.

OUR CUSTOMIZATION PROCESS

CUSTOMIZATION CAPABILITIES

DRAWER CONFIGURATIONS Multiple drawer sizes and layouts to organize medications, supplies and instruments efficiently.	COLOR PREFERENCES Various color combinations available for drawers, panels and accessories.	ACCESSORY INTEGRATION Integration of IV poles, side bins, waste bins and holders according to your workflow.
LABELING SYSTEMS Custom labeling and identification solutions for better organization and traceability.	OEM / PRIVATE LABEL Private label production with your logo and branding to support your business.	HOSPITAL-SPECIFIC PROJECTS Project-based solutions designed according to department needs and clinical requirements.

**WE DON'T JUST BUILD TROLLEYS,
WE BUILD SOLUTIONS THAT FIT YOUR NEEDS.**

Our experienced team is ready to support you at every step, from concept to delivery.

Designed for Care. Built for Reliability.

Supporting healthcare professionals with dependable trolley solutions for emergency response, medication management, dressing procedures and anesthesia applications.

EMERGENCY READINESS

Fast access to critical supplies when every second counts.

MEDICATION MANAGEMENT

Organized and efficient solutions to improve workflow and ensure patient safety.

CLINICAL PROCEDURES

Practical support for dressing and everyday care applications.

ANESTHESIA SUPPORT

Reliable assistance in demanding anesthesia environments.

TRUSTED BY HEALTHCARE FACILITIES
IN 35+ COUNTRIES

At T-Health, we remain committed to providing high quality trolley solutions that help healthcare professionals deliver the best possible care every day.

Designed for **Care**. Built for **Reliability**.
